

Distribution of Dallas County K-12 Students by ISD

Almost 400,000 students are enrolled in the 566 public schools located in Dallas County. The county is comprised of fifteen school districts with Dallas (40% of all students), Garland (13%) and Richardson (9%) being the largest providers.

For additional Dallas Independent School District information, see [Distribution of DISD 9-12 Students by High School Service Area](#).
