ESL Instructor Skills Award

Offered by

The DCCC ESL Teaching Academy

Name: _____ Student ID: _____ Phone: _____ (Home)

_____ (Cell)

Address: _____

Street City Zip

The ESL Teaching Academy curriculum has been designed to enable you to obtain a practical overview of primary issues of concern to today's ESL professionals. The theory, methodology, techniques and skills-development covered contribute to the formation of a knowledge base and skills set essential to provide quality ESL instruction**. The DCCC now grants the ESL Instructor Skills Award* to students who take all of the core courses, the practicum and two electives.**

***** *Classes are approved by the Texas State Board for Educator Certification as continuing professional education required for standard certification renewal, however, the ESL Instructor Skills Award, in and of itself, does not serve as certification recognized to teach in public schools or at the college level.*

Please enter the location, date and instructor for each of the courses you successfully complete. Be sure to keep your signed CEU certificates. Upon completing the required core courses, two elective courses and the practicum, please contact Maria Caratini-Prado, mcaratini@dcccd.edu, to submit this form for your ESL Instructor Skills Award certificate.
