GUIDED PATHWAY: SOCIAL WORK ASSOCIATE-GENERALIST

For more information, visit www.dcccd.edu/SocialWork your academic advisor at Eastfield College.

This is an example course sequence for students interested in pursuing Social Work Associate-Generalist. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (AAS) degree in Social Work Associate-Generalist². For official degree requirements, [click here](#).

The AAS degree is designed to prepare individuals interested in working with people to obtain entry-level employment in public and private social service agencies. The social service worker is equipped with skills, knowledge, values, and sensitivity to effectively serve human needs in a variety of community settings. Courses that complete the Degree (D) are noted below.

Visit <http://www.ntxccc.org/pathways> to view guided pathways created for students who complete an AAS degree and the options for transfer. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university.
