Job Description

Job Title: Emergency Management Specialist  
JTC: L25

Salary Range: D05  
FLSA: Exempt

Since 1965, we have served more than 3 million students. Dallas County Community College District (DCCCD) is one of the largest community college systems in the state of Texas, which includes seven independently accredited colleges located around the Dallas/Fort Worth area.

POSITION SUMMARY

Coordinate disaster response or crisis management activities, provide emergency preparedness training, and prepare emergency plans and procedures. Supports the manager and the mission of the district by protecting the students, faculty and staff from possible campus hazards and disasters.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES

Demonstrated knowledge of policies, procedures and strategies to promote effective emergency management operations for the protection of the DCCCD. Knowledge of local, state and federal laws and regulations and applies best practices that are in direct support of the overall vision, mission and goals of the district.

Ability to identify problems, gather facts and appropriate resources needed to address issues in planning and in actual emergencies. Experience developing, implementing and maintaining a Comprehensive Emergency Management plan to promote effective and efficient tactics. Strong time management skills, self-motivated and goal oriented.

Ability to build strong professional relationships with district department and workgroups, outside agencies and internal and external constituents. The ability to multi-task, adjust to changing situations, excellent organizational skills, with the ability to deliver, generate and distribute assignments on time, reflecting detailed accurate information.

The ability to minimize the consequences of all emergencies involving or affecting departmental facilities and activities through an integrated approach of coordinated and collaborative planning, training and exercising.

Required ability to collaborate with others in the decision-making process, to identify and ensure understanding of available options and solutions so decisions during an emergency do no adversely affect the district. Detail oriented with the ability to manage multiple assignments and projects, create complete action plans, as well as the ability to adapt to changing priorities, deadlines and direction.

Experience participating in emergency management response and mitigation planning. Excellent and clear communication abilities are necessary to conduct operations and coordinate the response teams in emergency situations. Strong knowledge and experience providing effective customer service.
PHYSICAL REQUIREMENTS
