How to Use This Form

- Dallas College requires all new and returning students (who have had a break in enrollment of one semester or more) under 22 years of age to show proof of vaccination against bacterial meningitis or present a valid exemption.
- The Distance Learning Affidavit provides an exception for students taking online/distance courses only during the specified semester with no intention of physically accessing any Dallas College campus or property.
- A new affidavit must be submitted each semester the student qualifies for and wishes to use the exemption.
- Students must notify the Admissions office immediately if their status changes and they enroll in any in-person/face-to-face/hybrid courses and submit the appropriate bacterial meningitis vaccination documentation.
- This authorization will be valid until the end of the semester unless revoked in writing by the student.
- Complete Student Information section including the semester/year for which you are seeking an exemption.
- Carefully read the statement below thoroughly before signing.
- Sign and date form. Parent/Guardian signature required for students under 18 years of age.
- Return completed form to Admissions Office: Admissions@DallasCollege.edu

Student Statement

By my signature below, I certify that I am enrolled or enrolling in 100% online/distance learning courses with Dallas College. I will not physically access any Dallas College campus or property. If there are any changes that require me to visit a Dallas College campus or property, I will comply with the meningitis vaccination requirements and submit all required documentation to the Admissions office before I may register for class(es). I certify the information I am providing is true and accurate.
