### **Questions/Comments from the Board/Chancellor**

Trustee Flores requested that a discussion item be added to the January 2013 regular meeting regarding the DCCCD submission of the Higher Education Administrative Accountability Report FY2013, provided to the Board on November 29. Specific questions were noted as:

- 1) Is this a required annual submission?
- 2) Since annual raise percentages are approved by the Board, why did some individuals noted receive a higher percentage increase? Why was this not documented in the "Explanation/Comments" column?
- 3) Why are cell phone stipends noted on this report? Weren't these stipends discontinued in the budget cuts for 2011-2012?

Trustee Flores asked that the report be reformatted for easier reading and incorporation into the formal agenda for the January meeting, including highlighting of all salary increases exceeding the "across the board" adjustment approved for 2012/2013. Chair Prater indicated that the specific discussion of salaries attributable to individual employees would be confined to executive session.

Chair Prater congratulated the colleges on the successful completion of recent on-site visits.

Trustee Williams noted his appreciation for the invitation to the celebration in honor of the Founders' Foyer student art exhibit.

Interim President Slejko was asked by the Chancellor to provide the Board with details of a recent event sponsored by DART, and recognizing the opening of the Orange Line/North Lake College Station.

Trustee Williams shared a story of a complaint regarding the 2013 tuition increase – indicating that once the caller knew other details including the relative ranking of DCCCD tuition against others in the state, the caller indicated their support for the decision.

Chancellor Lassiter reminded the Board that their second planning session with Consultant Ponitz is scheduled for December 11, along with the presentation of the annual external audit report, noting one of the earliest completions on record for the District.

#### **Citizens desiring to appear before the Board**

Mrs. Dorothy Zimmerman requested to know how the DCCCD would work to avoid a repeat of the North Lake College security drill issue occurring in October. Other comments centered on the need for responsible spending.

#### **Executive Session**

There was none.

#### **Adjournment**

Trustee Ferguson moved and Trustee Jameson seconded a motion to adjourn. Chair Prater adjourned the regular meeting at 5:02 p.m.
